HOWARD A. WENTZ
Supervising Principal

Let us remind ourselves that the culture of a society cannot remain static. We must add the gifts of each new generation or lose most of the good of past generations. In order to create a better society we must keep what was good and add the gifts of the new. You and your children will be the benefactors.

Howard A. Wentz

FRANK A. MADER
Principal

This is the time of Commencement--the time of beginning. We trust that you have learned your lessons well. Some of you have taken better advantage of your opportunities than others. Whatever your own case may be, I hope each of you has acquired the skill, the knowledge, to continue in self-improvement either in school or on the job. Even if you feel that you should have done better, that certain doors are closed to you because of mediocre achievement you can still begin again--not, however, without paying a price in time or money. Pay the price, begin again, be successful!

We are both sorry and glad to see you leave us: sorry, because we shall miss you; glad because we know that you are about to take the next step forward. Our best wishes go with you.

Frank A. Mader

ALATHEIA E. REESE
Guidance Counselor

Commencement is an important milestone and should be a happy time for the graduates. To continue being happy you must feel that your work is important and that it requires your best thinking and attention. Remember it is the person who does the work who grows in the doing.

Alatheia E. Reese

Class Song

Tune:
Blue Moon

We Stand

To face the world all alone,

To meet our goals on our own,

To show our tribute to thee,

We Rise

To fight for justice and right,

To prove with all of our might

That we are loyal to thee.

We Call

To bid these halls fond adieu,

Our memories always of you.

Farewell to thee, Dear N. P.

We have lived four years in this dear High School;

We've spent many precious hours here.

Now the class of '56 is leaving,

But we leave you not without a tear

Class Will

We, the members of the class of nineteen hundred and fifty-six of Nether Providence High School, bequeath our final and most precious possessions to those whom we feel deserve them most.

Our President DAN JESTER turns his position as Captain of the Band over to BOB FIGLIO. LEE COULTER wills her chair in Senior Chorus and all the "second soprano struggles" to KATHY O'SHAUGHNESSY, while CAROL VOGEL is the auspicious recipient of JANE SWEELEY'S hate for dressing for gym.

Although she hasn't used it yet, RUTH HUFFMAN leaves the blond wave she was willed last year to ROCHELLE SCHWARTZ and IRENE McMAHON offers MARTHA BENDINSKY all of her shorthand troubles. GLORIA VOGEL'S excuses for getting out of showers after gym go to CAROL ANN FORBES.

DEANS CRYSTALE drops all of his managerial worries on the shoulders of ED FARKAS and JOYCE HAPPERSETT leaves any future sophomore the study habits she never picked up in Homeroom 116. The logical ones for receiving NANCY STAUFFER'S "look-alike" problems are the HAUBNER twins.

Council prexy SAM WINN leaves four great years at N.P. to his brother RICHY, and SUE THIEME wills her turned down socks to--any other Anachortes fan! To BARBARA ELLIOT go MARJIE EMERSON'S frantic dashes for the school bus. Even though his book covers have seen their better days, CHIPPY ESSICK wills them to his sister, DOTTY.

If she can stand it, JOYCE BEULAH is to receive SALLY PFAEFFLE'S love for gym class. DAVID LAFFERTY thinks it's a good idea to will his '31 Ford to the junk yard, but he leaves all his ponies for ED LONGLEY-----with the best of luck for a good year! Since MARILYN Mac INDOE is the most deserving, (SAM WINN is a close second) she is the receiver of MIRIAM THOM'S reputation for being "fashionably" late!

To the future graduating classes of N.P., ANN HOLLIDAY promises any boys she might happen to find. Since PAT STAUFFER is rather tired of, "Which twin are you?" she wills the familiar question to JEAN and JUDY WISDOM. From BARBARA RICHARDSON, ROCHELLE WARWICK becomes part-owner of Sproul Hall and LARRY PYLE wills his "system" to his brother, DAN.

JOYCE WHITE leaves her well-exercised and strong vocal chords (from cheerleading!) to LESLEY HASSIS. RONNIE CALDWELL should be comfortable in social living next year having been willed both MARY QUELL'S and HARRIETT RUSH'S desk! To another non-scientific mind goes SHEILA BOBERG'S front row seat in her "favorite" class--------chemistry, and SUSAN TAYLOR leaves some of her height to SIDNEY SEVILLE.

To "MABEL" ORR, CAROLYN LANCE wills everything----except BOB! ELSIE MARTIN bestows the ability for cracking gum upon anyone who likes frequent visits to the office. LOIS GARNETT has left her vocal chords behind, hoping GERALDINE JOHNSON will make use of them, while JAY SCHOFF and TOM JAGGERS just want to leave!

To keep N.P.'s athletic record high, LEWIS MORROW bequeaths his sports ability to his brother, LEONARD. WALT HARDING wills his unique haircut to his kid brothers, and BETSY JENKINS' ability for making council signs goes to BILL KIRCHGASSER. To next year's cheerleading squad goes AUDREY GRAHAM'S cheering auspiciousness, while all of LUCILLE DELIS'S fun at N.P. goes to her little brothers, DONALD and JOE. NANCY FEASTER leaves SMITTY to----nobody!!

Although she really can't afford it, BEV BROWNING wills some of her height to DIANE LOUGHEAD. To any idiot JIM SWEELEY leaves his desk in trigonometry class, while CHAILE BLOOM wills her speedy speech to ARLENE SKLAR. LARRY JUNKINS offers SKIP SAMPSON the right to drive the slowest car in N.P. Township.

For hitting parked cars, ALICE DRESDON wills her advanced ability to SUSIE MILLER and MOLLY ORR. SUE COCHRAN leaves her Scott's Hi-Q headaches for DOT YANCE while for TODD SEPELLA, RUTH PEAVEY has left her black band shoes.

DALE STEVENSON bestows his ability for becoming basketball refs' personal friend to ROLF BRUNNER. JOANN MEIL'S fancy for Kadet Kapers goes to CAROL McLAUGH, and CAROL SHAW wills 17th Street beach to-----BOYS!! Since EDITH BOYER is tired of saying "Please, be quiet!" she wills the expression to MARCY HASSIS. SANDY SCOTT leaves her "bathtub" in the backyard to GEORGE CLEMENT, and GINGER PRALL says "I can't afford to leave anything?"

BUNNY PIDCOCK offers her gumchewing techniques to any future member of Homeroom 116. TED BERCKMAN'S speed shifting ability opens the roads for AL WEITZMAN, and JAY COSLETT bequeaths his red and black "bomb" to the fool who buys it. ARLENE HUNTER leaves her typing troubles to MILDRED WILLIAMS; DOT WILROY claims "I'm taking it all with me!"

To help prevent platitudinous classes next year, STEVE WEITZMAN leaves his class notes and "doodles" for his brother, DITTY. SANDY ROBERTS wills her gym class fun to PATTY FITZSIMONS, and PEGGY BENNETTA receives JOAN SULLIVAN'S big mouth at the lunch table. BARBARA COMPTON'S first violin chair in the orchestra goes to CAROL SWEENEY, and to anyone who can keep the foot "within the border" goes JOANNE McKEE'S torn size 5 hockey sneakers.

MARLA TODD leaves her sophisticated (?) strut to anyone who can walk into it, while MR. SEPELLA has earned PHYLLIS TURNER'S nickname "CHUBBY." To anyone who can stand them go DEBBI McCONE'S feet. If CAROL BEAN ends the year with extra, unused Kleenex, NANCY FERRIS is the recipient, and BOB ELLIS leaves his "private, personal" locker room chair for MR. HAUPT'S relaxation.

Along with four years of acquired bruises, LINDA REED hands over her goalie pads to JUDY HANNIGAN. To leave you with a nostalgic feeling, JACK HEFTON has just slammed the school store door, and with the key sitting on the cash box inside, he says in a frustrated manner, "I l-e-a-v-e the school store!" In the same perplexed way we, the class of nineteen hundred and fifty-six, having offered our final bequests, leave N.P.!

Hockey

This year the girls enjoyed one of the finest seasons ever seen at N. P. in a number of years.

Perhaps the most exciting victor was the 1-0 win over Media with Betsy Jenkins scoring the winning goal. This was the first time in the history of the school that we defeated Media and thereby gained possession of the Rotary Cup for a year.

Although there are six members of this year's varsity who will be graduated the prospects for next year are bright.
